

# SEAWORKS

## MARITIME ARTS & ENTERTAINMENT PRECINCT

Seaworks Williamstown has become a landmark venue of unprecedented size offering outstanding views across the Melbourne skyline. The former Port of Melbourne site has been restored remaining true to its heritage, which reconnects Melbourne to its rich maritime history.

A popular setting for gala dinners, exhibitions, music performances, launches, markets and festivals, the cathedral sized shed has an extraordinary atmosphere. With its raw industrial character, exposed steel structure, soaring ceilings with overhead gantry cranes and bare concrete floors, this immense industrial building makes an impressive event setting.

# IMAGINE YOUR NEXT EVENT AT SEAWORKS WILLIAMSTOWN

Only a short ride on the ferry, train or drive from Melbourne's CBD, Seaworks Williamstown is a breathtaking waterfront location which offers an inspirational backdrop, while its distinctive maritime buildings and gritty industrial heritage makes an unforgettable setting for any event.

## IDEAL FOR

Gala dinners, exhibitions, music performances, markets and festivals, launches, creative arts, product launch, filming and photography, fashion parades, media event.

## VENUE CAPACITY

The Main Shed is a 2000sq/m industrial shed space. It is a blank canvas to transform to any elaborate scene. The ceiling is over 6m high and rises to 11m at the apex. This allows for the creation of a large scene for an event, film or trade show.

## SIZE

The Seaworks site is 2.74 hectares. Capacity of 4000 guests

## HOURS OF USE

7am – 11pm. Any loud music to conclude by 10pm.
